

Welcome, Bienvenue, Boa vinda
Why are we here?

- Get to know each other, new friends and colleagues
- Make a difference – great research, developing, using and sharing good practice
- Work out how to make the whole (Programme) greater than the sum of the parts (Projects)

www.splash-era.net Coordinating European water research for poverty reduction

WEDC role:

- Coordination – find and exploit synergies
- Further SPLASH work on good research management practice
- Technical and Financial review of reporting to donors
- Support global dissemination

Why this matters?

- Potential to develop pipeline of new research
- Improve research practice
- Greater impact as a whole programme.
- An unusual opportunity – projects run and coordinate together

How?

- Be constructive – mutual respect
- Open and trusting – Identify and resolve challenges
- Remember our languages
- Do our best, and have fun!
