NEWS FROM SPLASH

Dear colleagues

We are carrying out a survey designed to help us make the dissemination of information about SPLASH as effective as possible. Please will you help us to do this by spending less than 5 minutes completing a questionnaire which you can find at http://www.splash-era.net/downloads/dissemination_survey280408.doc.

This will allow us to know who we need to disseminate information to, what level of information different groups of people want and how best to reach them. Please send completed questionnaires to j.fisher1@lboro.ac.uk.

Your help is greatly appreciated

Julie Fisher
